

Vidyarthi from National Insurance

National Insurance's Vidyarthi is designed to provide health and personal accident cover to students up to 25 years of age. The premium for hospitalisation expenses is significantly lower compared to a standard mediclaim policy and any other policy for students.

The policy provides for continuation of the insured student's education in case of death or permanent disablement of the guardian due to accident. Parents or guardians of students can take this policy. Any registered educational institution can also take a group policy covering students enrolled with them. The policy also provides group discounts ranging from 10% to 30% depending on the size of the group. For health insurance of Rs1 lakh for a student, parents get personal accident coverage of Rs2 lakh and the student also gets personal accident coverage of Rs 50,000. The premium for this coverage is Rs 1,111 per year. If you have any question or need more inputs or looking to get a policy coverage for your child or family contact us to [get a free quote](#) today!
