### Easy Health – Family Health Insurance Plan

Easy Health Plan will help protect you against spiraling medical costs and also guide your family on the path of wellness, hence, its truly a **double protection of prevention and cover**. It is a broad cover for treatment against illnesses and accidents requiring in-patient hospitalization and also features an optional Critical Illnesses cover.

### How does a Family Floater Policy work?

Suppose Mr. Kumar, his wife and their son are covered for Rs. 1, 00, 000 each, under a regular Health Insurance Plan. They would have then paid a premium for 3 policies of Rs. 1 Lakh each . In an unforeseen situation, if the medical bill for hospitalization of their son amounts to Rs. 1.8 Lakh, the regular policy would cover only up to Rs. 1 Lakh, while the remaining amount of Rs.80,000 would have been paid by Mr. Kumar even though there is no claim on the other two policies.

But if Mr. & Mrs. Kumar opt for an Easy Health Family Insurance Plan under any variant, the cover of Rs. 3 Lakh would be shared among the entire Kumar family. Which means, the family individually and together, enjoy an insurance cover of upto Rs. 3 Lakh (total claim made by the family to be of Rs. 3 Laks) . Hence for a similar situation as above, Mr. Kumar would benefit while claiming the complete Rs. 1.8 Lakh under the Family Floater Policy.

The Easy Health Family Plan is available in **3 variants: Standard, Exclusive and Premium**. The cover amount ranges from Rs. 2, 00, 000 to Rs. 10,00,000 based on the product variant.

The plan provides for in-patient hospitalization expenses and is designed to cover expenses such as: diagnostic procedures, boarding and lodging, the intensive care unit, operation theatre, anesthesia, blood, oxygen, surgical appliances, cost of prosthetic and other devices or equipment if implanted internally during a surgical procedure, medicines, drugs and consumables, nursing and medical practitioner charges as per the policy schedule.

### Points to Remember

1. Easy Health Insurance Policy will offer cover to persons from the age of 5 years onwards. A child dependent can be covered from 91st day if both parents are covered under this policy. The maximum entry age is 60 years. **There is no maximum cover ceasing age in this policy.**
2. The cover will be valid for a period of 1 year.
3. An individual and/or his family members namely spouse, dependent children and dependent parents are eligible for buying this cover.
