

## What is eMediclaim Portal For?

//

eMediclaim portal has been developed to help people understand the importance of [Mediclaim Life Insurance](#) policies while you are busy build your future and busy in your day to day life.

No one knows when illness is going to strike them. By insuring, you save yourself from unexpected expenses that you may incur at some stage! eMediclaim.com is designed for the people who might face financial difficulties when they are ill and cannot afford huge medical bills.

It has been found that people who are working and very busy in day today life do not get time to take care of their health which is very important.

Awareness for health among people is very important, in a nut-shell we can say that "**HEALTH IS WEALTH**".

[Mediclaim](#) services provide insurance cover for various diseases which a human being can suffer from; and It helps to get the money reimbursed from the insurance agency which he/she is insured from.

The next question which might come in your mind,how is that possible? It is very simple, all you have to do is to get all the reports and bills during the treatment and fill the [Mediclaim Reimbursement](#) form. If you are a valid policy holder you can fill the claim to get your expenses reimbursed. Not only that, you even get tax benefit on the medical expenses incurred by you to a certain limit as per the rule of Indian Government.

[eMediclaim](#) portal has been designed to make people understand what all benefits they can get from medical insurance and also the increasing importance of health insurance in today's life. Mediclaim services even provide cashless facilities which is hassle free and very easy where you don't have to pay anything for the bill or have to pay a very little amount towards the bill. eMediclaim helps you to understand that how beneficial it is to have [Mediclaim](#) policy when you

are ill and you cannot afford a huge bill all in one go.

The other way one can say that the investment of good time in form of medical insurance is going to be of great help when you are ill and facing financial difficulties. Mediclaim policy covers everything i.e from hospitalization cover to expenses which one incurs to purchase medicine and any expense such as blood ,x-ray etc. Mediclaim policies are available in various range wherein one can register their spouse and children as well as elders up to the age of 75.
